Seven key benefits of belonging to the Society:

- 1 Complimentary membership.
- 2 Access to the members’ section of the PSNZ website (which includes Pharmacy Practice updates) and Pharmacy Practice Handbook (Online).
- 3 You will also receive the Society newsletter, the EDGE, access to the members’ section of the PSNZ website and its important information, email and fax alerts and e-messaging on “hot topics” and important issues.
- 4 Subsidised attendance at the Society’s annual Regional Symposia which provides members with relevant professional and clinical presentations to keep up to date in the work place, complementing the ENHANCE Programme and APC requirements. Members \$95. Non members are always welcome – Registration \$235.
- 5 International Pharmacy Press and NZ College of Pharmacists Resource Shop publications available for purchase at discounted member prices.
- 6 Belonging to an organisation that represents the interests of all pharmacists and is the professional voice of pharmacy.
- 7 Belonging to a Society that works hard to keep the development of Pharmacy as a profession and furthering the role of pharmacists before government on your behalf by its representation and advocacy to Government ministries, committees, agencies and sector organisations. Current initiatives include the Community Pharmacy Anticoagulation Management Service Pilot Project (CPAMS); the formation of the Technicians’ Advisory Group and the Clinical Community Pharmacy Network, and the development of Medicines Therapy Assessment (MTA) Standards and assessment pathways for new MTA services.

Through this membership, student members will be able to see the benefits of belonging to PSNZ and are encouraged to consider full membership once registered and practicing as a pharmacist.
